Subject to the Applicant being successful in the award of CIAA award funding, following evaluation of this Application Form, the University of Edinburgh shall offer the Organisation a Minimum Financial Assistance (MFA) subsidy under the Subsidy Control Act (2022), subject to your agreement to, and compliance with, the terms and conditions set out below relating to MFA and any other terms of the subsidy specified by the University of Edinburgh within the Award Letter Terms and Conditions to be issued to successful applicants.

The amount of MFA offered will be no more than the total amount of CIAA award funding requested by the Applicant/Lead Applicant or other non-University of Edinburgh party requesting funding under this Application Form (as applicable) in its response to Section 6 of this Application Form. Before awarding any CIAA funding and making any payment of CIAA funding, the University of Edinburgh requires written confirmation from the Applicant/Lead Applicant and each other non-University of Edinburgh party (as applicable) that receipt of the payment of the CIAA funding will not exceed such Applicant's/Lead Applicant's or each other non-University of Edinburgh party (as applicable) MFA threshold of £315,000 cumulated over this and the previous two financial years, as specified in section 36(1) of the Subsidy Control Act (2022). This means you must confirm that the Organisation*, as Applicant/Lead Applicant or other non-University of Edinburgh party (as applicable), have not received more than £315,000 minus the value of the CIAA subsidy funding being claimed within this Application Form in MFA subsidies or comparable types of subsidies (see section 42(8) of the Subsidy Control Act) between 1 April 2023 and this date.

The University of Edinburgh takes this opportunity to remind you that the Organisation, as Applicant/Lead Applicant or Collaborator (as applicable), is required to keep a written record of the amount of MFA it has received and the date(s) when it was received. The written record must be kept for at least three (3) years beginning with the date on which the MFA was given. This will enable the Organisation, as Applicant/Lead Applicant or Collaborator (as applicable), to respond to future requests from public authorities on how much MFA you have received and whether you have reached the cumulative threshold.

Confirmation must be sent by someone who is authorised to do so on behalf of your organisation.

I confirm, for and on behalf of, [**Please insert the name of the Organisation**] that receipt of MFA of no more than the total amount of CIAA funding requested by us in our response to Section 6 of this Application Form (£[**insert amount**]) from the University of Edinburgh will not exceed [**Please insert the name of the Organisation**]'s MFA threshold, as specified in section 36(1) of the Subsidy Control Act (2022).
